**TELEGRAPHIC****THE STAGE.**

New York, 26.—The event of the week in musical circles of New York was the farewell concert of Madame Adelina S. Patti at Steinway Hall on Wednesday night. There was an enthusiastic audience. It was determined that the prima donna should not leave New York with the impression that the disadvantages of bad management and inclement weather had made her entire a failure.

"La Traviata," with Minnie Hauk as Violetta, for the first time in three years, was the feature of the week at the Academy of Music. She made a somewhat vigorous and exuberant Violetta, not exactly expressing the poetic character of this interesting and repentant Magdalene.

John McCullough, as Virginius, has attracted large crowds at the Fifth Avenue Theatre, since his engagement there, and marked disappointment was felt at the substitution of "Ingomar" at the Thanksgiving matinee. An actor of John McCullough's ability is not seen to advantage in a play like "Ingomar," where so much depends on the ability of the actress taking the part of Parthenia.

The friends of Jeffries Lewis greeted her first appearance in this city as a star at Windsor Theatre on Monday evening. Antonio, in Archy Gunter's "Two Nights in Rome" was the role in which she appeared. Miss Lewis has gained considerable popularity in this role and it is one to which she is especially adapted.

The matinee performances on Thanksgiving day at all the theatres were well attended.

The "Passing Regiment," at Daly's is bright and interesting and fills the pretty little house nightly.

"Tadpole" continues at the Standard Theatre and at Booth's with Carrie E. Burton winning golden opinions in the little role at the Standard, and Mile Jarbeau winning admiration for her beautiful dresses at Booth's.

"Les Cloches de Corneville," is still running at the Metropolitan Casino, but will be succeeded next week by "Hanon Lee."

The revival of "Daniel Roebuck" at Union Square for a time only. "Lights of London" will follow with the full Union Square company in the cast and a large number of supernumeraries.

The Maurice Grau French Opera Company begin a short engagement at the Park Theatre, next Monday. They will produce the theatrical "La Mascotte" and "Olivette."

The change made in the libretto of the "Snake Charmer" at Bijou and also the change of several of the actors and actresses has added greatly to the interest of the little opera.

"Her Corporal" was produced at that theatre for the first time on Tuesday night, and was well received by a large audience.

Hase appeared at the Germania Theatre on the same evening in the German interpretation of two plays; "The Old Masters of Arts" and "After Sunset."

**Casualties.**

Ashtand, Ky., 25.—It is believed that the engineer and a deck hand were called to death by the sinking of the propeller Gayland, yesterday.

Seyport, England, 25.—Four persons were killed by passenger trains colliding.

New York, Ohio, 25.—A colored child, two years old, was burned to death by falling into the fire.

London, 25.—Twelve of the crew of the bark Adept, abandoned at sea, were drowned.

The Spanish steamer Javellanos, from Liverpool, foundered with all hands, entering the harbor of San Sebastian. It is believed fifteen persons were on board.

It is feared many disasters occurred in the Bay of Biscay during the storm.

**The Hunted Emperor.**

Vienna, 25.—It is reported and confirmed that the Czar and family will move to Gatchin, on account of the efforts of the terrorists against him.

Russian police have made many arrests secretly in St. Petersburg. Among the prisoners are the chief of police of an important provincial city, two daughters of a high state official, and two Jewish merchants, besides a number of students and active nihilists.

The plot was most extraordinary. It was decided to send up a balloon near Gatchin, carrying dynamite and explosive, together with appliances to cause the balloon to fall within the palace yard, there explode, and set the palace on fire. In the confusion it was intended to seize the Czar and family. The machinery seized shows everything was ready for the execution of the plot.

**Hempen Matinee.**

Sumpter, S. C., 25.—Henry Johnson was hung today for the murder of John Davis. The execution was private. He had made a full confession, during the trial, saying a conjurer had given him a charm to shoot Davis, win his wife and avoid the penalty. He only succeeded in winning the wife. The other charms failed.

Rogersville, Tenn., 25.—Joe Harris was hanged here this afternoon for the murder of two men, Brown and Heck, whom he butchered in bed and then robbed a year ago. The death was quick and there was good order among the large crowd present.

**An Emperor's Son.**

New York, 25.—Herald's Washington: Mme. Turbide, daughter-in-law of the late Emperor Turbide, of Mexico, and her son, Augustine, left for Mexico today, where the young man will hereafter live. He has been at school in England and on the continent for a number of years past, and part of the time at Woolwich with the late Prince Imperial of France. He is now a stalwart youth of 18, who speaks four languages with fluency, and is said to be accomplished in all physical as well as mental exercises.

**Fire.**

Buffalo, 25.—Dart & Bro.'s large planing mill burned. Loss, \$110,000. Insured.

Martinsburg, Mo., 25.—Half the principal houses of the town are burned. Loss, not known.

Boston, 25.—A fire on Beverley street caused a loss of \$25,000 to-night. Several sufferers.

**Criminal Calendar.**

Janesville, O., 25.—Thieves robbed Wm. Young and family of \$1,500 yesterday in money and the same amount of bonds.

Milwaukee, 25.—Hanson's fur factory last night was robbed of four thousand dollars worth of seal sacs and other valuable fur goods. The thieves entered by a back window. No clue as yet.

Chicago, 25.—John Galus, of Litzburg, Germany, eighteen months in this country, age 22, was arrested on Belmont Av. Lakeview, at 9 o'clock this morning, for the murder of Housel, the butcher farmer, at North Evanston. Money, weapons and clothing of the dead man were found on him. He admits the killing and has been taken to Evanston to await examination.

**The Pacific Bank.**

Chicago, 25.—Inter Ocean's Washington: Comptroller Knox thinks the danger is over in Boston. He has never feared any widespread financial disaster from the Pacific Bank failure, and now thinks even that bank has some show of righting itself and resuming business.

Boston, 25.—The bank examiners have completed their examination of the affairs of the Pacific Bank. Their report will not be given out for several days, but it is authoritatively stated that the conditions of the bank is so unfavorable, that the United States Comptroller, yesterday, requested associated banks to nominate a receiver, and wind up its affairs.

**Buenos Ayres' Demonstration.**

Boston, 25.—A letter from Buenos Ayres says: The death of President Garfield grieved us sorely. There was a very touching demonstration at Buenos Ayres. Fifteen thousand persons marched past the American Legation with various national banners draped.

There were eighteen bands in the procession playing dirges. The United States Minister stood on the balcony with many American residents. Not a speech, not a shout and not a human voice indeed could be heard. Three ex-presidents of the country walked in the ranks. Between seven and eight thousand were Italian residents, about two thousand French and about fifteen hundred Germans.

**PILES! PILES! PILES!**

A Sure Cure Found at Last! No One Need Suffer!

A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian Remedy), called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or thirty year's standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments, and electrics do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed), acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.

For sale by all druggists or mailed on receipt of price, \$1.00.
